

ACA Intergroup Minutes 13 June 2020

Welcome + Round the Room ID	
Service Prayer	Higher Power, we are your trusted servants seeking to support ACA and its primary purpose. Please remind us that the life of our program and our own recovery depends upon our willingness to put the unity of our intergroup first, above our own will
Tradition	(6) An ACA group ought never endorse, finance or lend the ACA name to any related facility or outside enterprise, lest problems of money, property and prestige divert us from our primary purpose.
Concept	(6) On behalf of ACA as a whole, our Annual Business Conference has the principal responsibility for the maintenance of our world services, and it traditionally has the final decision respecting large matters of general policy and finance. But the Annual Business Conference also recognizes that the chief initiative and the active responsibility in most of these matters would be exercised primarily by the Trustee members of the World Service Organization when they act among themselves as the World Service Organization of Adult Children of Alcoholics.

Global Member Sub – Committee

Sharon and I have recently joined the Global Sub-Committee which has been established for ACA groups and members outside of Nth America.

PURPOSE OF THE GLOBAL SERVICES SUB-COMMITTEE

Reaching out globally, connecting, supporting meetings and carrying the ACA message in countries outside of Europe and North America; such as Africa, Asia, Mexico, South and Central America, US Territories (E.g. Guam), Australia/Oceania. We honour tradition 4, each group is autonomous and Tradition 5, carrying the ACA message.

Member countries of the Committee presently involved are Bangladesh, India, Israel, Mexico, Netherlands, South Africa, South Korea, Taiwan, UK, Vietnam.

We had a meeting with Sue V, who is Chair of The Sub-Committee and I attended the May 27th Monthly Service meeting, and the fortnightly workgroup meeting Wednesday 10th of June, which are held at midnight our time.

The main points of discussion with Sue were the similarities that we as a fellowship are having that are trends worldwide... eg., Shortage of Sponsors, High turnover rates of new members, members having difficulty getting thru the steps. And how ACA is attempting to address that. Also the prohibitive cost of literature and shipping rates. Also, the information that the closure of the Australian fellowship in the 90's was part of a worldwide trend.

One of the opportunities offered to us by Global is the Ready Set Go Step working workshops that is being used in Nth America and in the final stages of WSO Literature approval.

There are 3 types of step workshops in use currently. 1 day, 8 week and 16week. There is also a Traits workshop in early development.

The RSG group have suggested to initially do the 1 Day version on Zoom, which will be spread over 2 days. We have confirmed the weekend of Aug 1-2 from 10am -2pm.

It will hopefully be followed up by further 1 workshops that will lead into the 8 week and 16 week versions over the coming months years. They will initially be facilitated form the RSG team, with the vision of that been taken over by us further down the track.

Sue V has been asked to be the guest speaker on Unity Day and the workshop is 2 week later.

I am having further discussions with the RSG team to workout what support they need from our end including the tech support of the Zoom platform they require. Once I have that info, I will reach out to Intergroup and the fellowship to build our own RSG group,

I have been in discussions with the Unity Day Committee and I am part of the proposal for Intergroup hosting its own Zoom Identity for Unity Day, Meetings post Covid and RSG workshops.

Flyers and further details will be announced as they come to hand.

PURPOSE OF THE GLOBAL SERVICES SUB-COMMITTEE

Reaching out globally, connecting, supporting meetings and carrying the ACA message in countries outside of Europe and North America; such as Africa, Asia, Mexico, South and Central America, US Territories (E.g. Guam), Australia/Oceania. We honour tradition 4, each group is autonomous and Tradition 5, carrying the ACA message.

MONTHLY HIGHLIGHTS by COUNTRY

 Australia	<p>Overall: Australia has now joined Global with 2 country coordinators.</p> <p>Meetings: Currently there are 39 meeting groups and 7 Intergroups.</p> <p>Service Structure: We have a planning meeting in early June to start a national service structure with the view to then be part of a regional service structure.</p> <p>Studies/ Workshops: A series of weekend zoom Ready Set Go sessions are being planned within Global for the Eastern hemisphere in a few months.</p> <p>Literature: Australia has similar affordability issues as the other emerging countries. We will be assessing under the International literature Distribution channels.</p>
 Bangladesh	<p>Overall: No meeting is taking place. After the current epidemic eases, efforts will be made to carry the ACA message with the help of local AA and NA groups, starting with public outreach leading to new meetings. No new developments since the last update.</p>
 India	<p>Overall: ACA members are increasingly engaged with supporting meetings and ACA recovery after the 2020 ABC/AWC Online Convention.</p> <p>Meetings: Online meetings are becoming increasingly popular because of the inherent conveniences. Lots of newcomers, especially young adults. More and more participants from around the world. It appears that online meetings are here to stay.</p> <p>Studies/ Workshops: India ACA English members will be able to access Ready Set Go with the Australian partnership.</p> <p>Service Structure: At the initiative of the Global Members Subcommittee, a Support Group for India was created with members from India and Global. This group is focusing on the support needed to strengthen and grow the ACA fellowship and meeting groups across India. The first Zoom meeting was held on 21 May. A major urgent and immediate need that emerged was to find ways to improve meeting safety. This is being addressed on an immediate basis.</p>

 Israel	<p>Overall: Meetings are starting to go back to F2F; dealing with limiting guidelines. WhatsApp group at 208 members. Purchased domain aca-israel.com for local website. Meetings: 12 meeting</p> <p>Studies/ Workshops: Loving parent weekly workshop started following a model of an existing EU meeting.</p> <p>Service Structure: Started IG (2 meetings so far) with mentoring of NE region (meeting once a month and communicating in between).</p> <p>Translations: Editing SMR. Continue BRB translation.</p> <p>Literature: No shipments were possible during COVID-19.</p>
 Mexico	<p>Overall: Mexico has now joined Global with 1 country coordinators. June 1st. Lockdown to be gradually lifted. Face to face meetings to be hopefully resumed by the end of the month.</p> <p>Meetings: 8 in total; 2 online - one in Spanish, one in English. Members have requested zoom meetings from Puerto Vallarta, Jalisco to be continued. IG ACA MEXICO is sharing ESH to open the first face-to-face meeting in Cancun.</p> <p>Studies/ Workshops: BRB & 12-step study Yellow Workbook.</p> <p>Service Structure: IG#635 ACA MEXICO.</p> <p>Translations: The Laundry Lists Workbook will soon be found in Spanish.</p>
 South Africa	<p>Overall: South Africa has announced that it is moving to Level 3 lockdown from 1 June, but public meetings are only likely to happen at level 1, and as our curve is only now starting to go intense. So face-to-face is unlikely to restart before August, more likely September or even later.</p> <p>Meetings: A new formal meeting in Port Elizabeth (PE) has been registered. Online meeting participants are growing, we have added over 20 new members in that time. There is also talk of some of these new members potentially starting new meetings in their areas once they have done their first run through the steps. There are frequent comments that people do not want the online meetings to stop once lockdown ends. There is some debate now about the online meetings becoming separate from their source face-to-face meetings, as the population has changed.</p> <p>Studies/ Workshops: The flier for the next Ready, Set, Go sessions in June have been posted on all the groups WhatsApp pages, quite a few members are planning to join. Service Structure: Two new members have joined the Intergroup.</p> <p>Literature: Membership requests for the yellow workbook remain very high. We are seeking ways to obtain copies; there are no funds to purchase at this time.</p>
 South Korea	<p>Overall: South Korea ACA coordinator has asked us to join KakaoTalk (similar to WhatsApp); it is helping with us to communicate more frequently and effectively.</p> <p>Meetings: The meeting is struggling to survive in the current conditions with 5-6 people. 2 English speaking and 1 Korean/English speaking members are offering to fellow travel and sponsor with this group.</p> <p>Studies/ Workshops: South Korea ACA English members will be able to access Ready Set Go with the Australian partnership. We look at translations for this at a later date.</p> <p>Service Structure: Starting with a combined meeting and a translation structure. Translations: Working with a translation small team. More work is needed with traditions. Global Translations Coordinator and a Canadian ACA member fluent in Korean and English.</p>
 Taiwan	<p>Overall: ACA members are increasingly engaged with supporting meetings and ACA recovery after the 2020 ABC/AWC Online Convention. The Taiwan coordinator has agreed to be the Far East Coordinator for other countries in this area.</p> <p>Meetings: The two meetings have flourished with the transition to zoom. These are truly Global ACA meetings with many members joining from different countries.</p> <p>Studies/ Workshops: Taiwan ACA members will be able to access Ready Set Go with the Australian partnership.</p>

	Service Structure: Meeting structure only at this time. This will be evolved with our Hp guidance.
 Vietnam	Overall: No new update at this time.
